

## **Photography by Pishitelli - Reprint Ordering Instructions**

To order reprints, please send me the following information via e-mail or regular mail:

- 1) **Name of the Gallery** (Event / Family Name & Date) where the images were viewed. This is displayed at the top of the web page where you viewed the images.
- 2) **Image number** of each print desired
- 3) **Size** of each reprint you want to order
- 4) **Quantity** for each size of each reprint you want to order

Here is how to find the **image number** for any images you want to order:

Double click on the thumbnail of the picture you want and a larger image will appear. On the lower left side of the screen you should see some data about the image. The top line is the full image number: Example: **IMG\_xxxx.JPG**

It is not necessary to write down the IMG\_ or the JPG when submitting the image numbers for an order, just the number is all that is needed.

I will reply to your message with the total price for the order, and any shipping charges if applicable. You may then mail me a check and I will then edit and print each picture and either deliver or ship them to you. Please allow approximately two weeks to receive your order after it has been placed. Mail your check to: Larry Pishitelli, 5348 Trabue Road, Columbus, Ohio 43228. Be sure to include the address where the order is to be delivered or shipped, and a contact phone number or e-mail address in case I have questions.

All reprints are digitally edited before printing to make them look as nice as possible. Defects such as blemishes are usually removed. Custom digital editing such as adding or removing people from images is also available.

The 4 x 6 reprints are “proof” quality with a matte finish, while the larger sizes are portrait quality professional enlargements with a luster finish.

The 11 x 14 and larger sizes come permanently mounted on thick illustration board to prevent the prints from wrinkling after they are framed.

Custom prints are available on canvases that are brush textured resembling an oil painting. Contact me for pricing on larger sizes, canvas prints, and custom editing.
